Page 23, Line 19, INSERT New Ordering Paragraph:

IT IS FURTHER ORDERED that Arizona Water Company shall separately identify on all customer bills rendered after implementation of an ACRM step increase, the charges attributable to the federally mandated arsenic reduction costs. The customer bills shall also include a statement in bold print and/or a distinguishing ink color, that the ACRM costs are the direct result of a mandate by the United States Environmental Protection Agency (Code of Federal Regulations Part 141.62) that require maximum contaminant levels for arsenic in potable water to be reduced from 50 parts per billion to 10 parts per billion.
